

Dear Our Important Customers and Related,

Invitation to Panasonic Solution & Innovation Center

Thank you very much for your usual corporation and best attention for Panasonic Factory Solution Business Group.

We are pleased to inform you that we opened Show Room of our Products and Solution to exhibit our newest technology and future solution, named "Solution & Innovation Center" in Jakarta on 26th September. Taking this opportunity, we would like to introduce you our concept and innovative products.

We are sincerely hoping you to participate for the ceremony as following.

Best regards,
